

Is 9/11 just "Ancient History"?

Do you buy the
official story
because it is
credible, or
because "Nobody
can do anything
about it anyway"?

Where is that great big,
super-hot **FIRE** that was
supposed to have brought
the towers down? (not
even mentioning WTC-7)

How do millions of tons
of concrete and steel
turn to dust

**The White House could have
put all the questions to rest by
simply handing over the docu-
ments, videos and evidence that
it scooped up before anyone
could see them. Why does a
whole administration exhibit
'amnesia' about the biggest
crime in our history?!**
